10/21/2013 -

Mrs. Clerk;

Here is Mr. Ali's Objection to the Court report and recommendation on 10/10/13 by the Court Magistrate Judge Lander B. McCaffer Jr. Her is my object filed with copies of exhibit, I have more exhibit to file but I do not have enough fund in my inmate account the NCF would not allow copies to be made without high fund, the law library I think I all ready informed this Court about these issues. This just another wall build by the NCF to stop the flow of legal paper work. The other thing is that I could not make enough copies for the state responded would you please sent a copy of this Objection to the State if there is any issues, please let me know it I could file extension of time. The due-line is at the end of this week and is today I could have fund in my account in order to make these two copies that is require by court rules -

Thank You

Bill Rinne
